The following documents is hereby included in the documents posted on Bidnet and provided to plan holders:

Question: I am Inquiring about an addendum for the jail Pump station bid, I know we had talked about the fence needed to be moved and security concerns addressed.

Answer: A temporary construction fence will need to enclose the construction area at any time the exterior facility fence is open. This does not need to be a high security fence – a 6’ temporary construction fence is sufficient.

Please acknowledge this addendum on your bid form.
